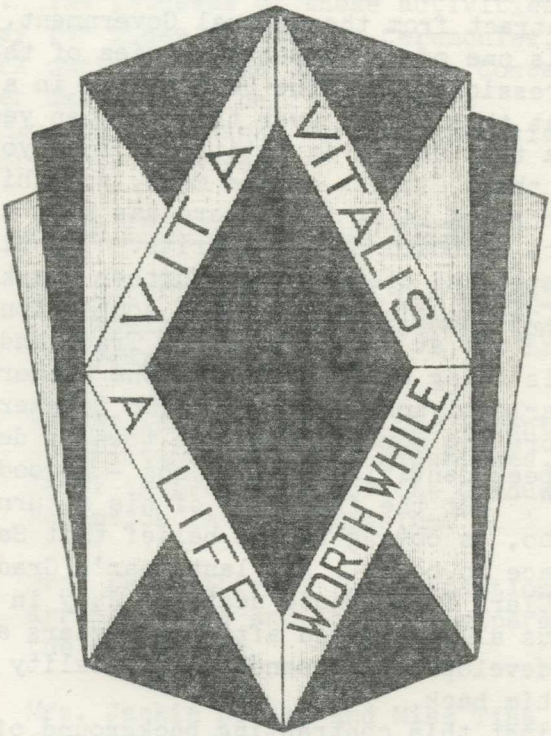
SAINT JOHN HIGH SCHOOL



1983-84

GRADUATION

IN PERSPECTIVE 1983-84

On the National Scene, the depression is still with us. Inflation and interest rates moderated for a time, but now in June, with the Canadian dollar at an all time low (76.2 cents U.S.), the economic outlook becomes more gloomy. Worst of all is the unemployment rate, still well over 10%. The Port of Saint John reflected the decline in world trade during the winter, and the Dry Dock laid off almost all of its 1800 men. With the frigate program to come on stream this fall, the prospects are brighter, and Saint John is proud that Irving came in with the best bid for a three billion dollar contract from the Federal Government.

It is one of the strange ironies of this Second Great Depression that Saint John can be in a mood of optimism at this time. Over the past ten years there has been a turn around in attitude. Most young people feel that their City is on the move, and this past year in the centre of Saint John there has been a vast influx of tourists to build up our spirits. The Hilton Hotel is now completed and open, to add further sparkle to Market Square. The Aquatic Centre nears completion on Dock Street, and out at Tucker Park the Track and Field facility is being constructed for the Summer Games of 1985. Charles Lynch, our Graduation Speaker in 1982, returns more and more to his home town to deliver an amusing speech entitled "Saint John - A good place to come from". But the frequency of his return indicates that he too, is coming to the belief that Saint John is a good place to be at. And last year's Graduation speaker, Clark Todd, whose death on duty in Lebanon saddened us all, remarked after many years away that the City had developed a freshness and vitality which beckoned him back.

Against this contrasting background of World gloom and local renaissance, another year has passed at Saint John High and tonight we honour the class of 1984, far smaller than the record of last year. They come from a smaller Grade X enrollment back in September 1981. This past year has not been a triumphant one. We have tried as always to inspire the desire for excellence, and to put across the message of an honourable day's work in study and in extra curricular participation. It has not been an easy task. Absence from school and

tardiness have been a continuing concern. The top students have thankfully avoided the lethargy and casualness which have become the hallmark of this depression generation. The consequences have been hard on the Student Council who have struggled to provide the leadership needed to produce the revenue to run the vast extra curricular program. School dances were held frequently and were well supported to make up for poor showings in chocolate bar sales, variety show attendance, and even support for the annual dramatic production. 'A Midsummer Night's Dream' was as imaginatively produced as always, but the audience did not turn out in large numbers.

It was a pleasant surprise at year's end to note an increased enrollment into Grade X for next September, so we must be perceived as a happy and successful school. Let us turn to the achievements of the year.

In sports we have trained athletes in every available activity except wrestling. The girls have been particularly successful, with undefeated teams in both soccer and hockey. The boys did well, but there were times when the extra demand did not result in the final drive for total exertion. In cross-country, track and field, in swimming and badminton, and in rugby our teams did give their all, and were suitably rewarded.

In debating, public speaking, and in chess we participated with our usual enthusiasm and in large numbers. The foreign travel group was another great success and forty-three students went to London and Lisbon. Another Open House Canada exchange was planned with London Ontario, but the Department of the Secretary of State declined to provide the travel grant. The Drama Club presented an amusing play in Room Three, "You can't take it with you" in the fall, and in the spring Mr. Hamilton directed the Shakespearean play which was very well received by the critics.

In academic matters the school has continued to show leadership by winning the Corporation Gold Medal, and by placing first in Atlantic Canada in Chemistry. The Province is moving slowly to restore external examinations, which give schools an opportunity to measure their standards against Province wide norms. In the next academic year Grade XII students will write an English exam in December, and Grade XI students will

write Mathematics in June. These are in addition to the Second Language testing in French, which has been in use for several years.

The major hopes of the year have been two fold. Plans are under way for the renovation of the building so that a larger cafeteria and library can be provided, and so that the heating, plumbing and electric wiring can be improved. Disher and Steen Architects have done the design drawings. We now wait for the necessary Provincial funding. It is difficult to find five to six million dollars for an old building, when so much has been spent on the instant new Palaces of Education which have been built over the past fifteen years. The other hope is more modest in terms of Provincial funding, and more effective in terms of motivating students of high academic promise. Saint John High has applied for and been accepted into the International Baccalaureate Program on a preliminary basis for the coming school year. This makes it possible for us to offer a number of students the opportunity of writing external examinations at two levels, subsidiary and advanced, in a fairly wide range of subjects. The curriculum for each subject will necessarily be rigorous since success in these examinations guarantees students admission to most Universities throughout the world. We look forward to the implementation of this program with enthusiasm.

The faculty are to be commended for their loyalty to the school and their diligence in carrying out their duties both in the classroom and in other school activities. Thanks are also due to the student leaders who have shown energy and determination in a year of casualness.

As we honour the graduates of 1984 this evening, we hope that they will emerge from the gloom of the Second Great Depression and shine in the glory of Saint John's third century.

(Mr. Davidson and Mr. Ogden have been teaching half-time).

This June Mr. Colin Blackwood retires from the teaching profession. He has been a valued member of the teaching faculty since Sept. 1962, and apart from one year of sabbatical leave 1981-82, he has faithfully done his duties as a mathematics and physics teacher for twenty-one years. We wish him well in retirement.

Also leaving us, for one year of sabbatical or educational leave, are Mr. Robert Taylor, who goes to the University of Alberta for his Master's degree, and Mrs. Sandra Thorne who stays closer to home working on original historical documents for the Province's and the City's Bi-Centennials.

Thankfully our enrollment will increase in September and we shall have 44 1/2 teachers instead of the 42 we had this year. However this is no consolation to Mr. Barry Ogden who is being laid off beacuse he has only one year of seniority. Besides teaching his English classes very effectively, he has given of his time most generously out of hours in assisting with sports teams

and in supervising a number of student activities. The schools of New Brunswick need dynamic, caring, young teachers. It is a sad comment on the educational system that declining enrollments make it almost impossible to get new recruits into the profession.

SCHOOL ENROLLMENT 1983-84

GRADE	BOYS	GIRLS	TOTAL SEPT. 1983	ADDITIONS	LEAVES	TOTAL JUNE 1984
XII	143	147	290	3	11	282
XI	145	141	286	6	10	282
X	147	138	285	2	11	276
TOTAL	435	426	861	11	32	84

Enrollment dropped this year because of the departure of the largest graduation class in our history (333 in June 1983). The number entering from Junior High was about the same as usual, so there was no real cause for alarm. This coming September our Grade X classes will be larger (310 are scheduled to enter) so the School Board has predicted an enrollment of 910.

We continue to have an excellent retention rate. For example, of the eleven who left from Grade XII duri the year, six were students who had come to us for the first time in September. Of the five who had been at Saint John High over the years, two had already graduated. Of the other three, two will return next September. We do our best to see all our students successfully through to graduation, and very few ask to transfer.

PLACEMENT OF THE 1983 GRADUATION CLASS

There were 383 students in Grade XII last year. 333 were graduated in June and 10 more received their diplomas in August after successfully completing summer school. Of the remaining 40, seventeen had graduated previously, sixteen returned to Saint John High to take Grade XII again, and seven went into the work force.

Of the 343 graduates, sixteen returned to Saint John High to improve their marks, eighty-three went to work, two went on a tour of the Middle East, two went into the

armed forces, and the remaining 240 went on to further education.

BOYS SPORTS 1983-84

Outstanding Male Athlete: Tarek Raafat

Student Council 'H' Letters for extra curricular participation were awarded the Final School Assembly to -

Richard Brown	Wayne MacFarlane	Scott Milner
Nino Cassata	John McAdam	David Nowlan
Richard Hooper	Sterling Mawhinney	Andy Poon
Mark Gallant	Seam McDonald	Cody Smith
Chris Long	Fred McCausland	Harald Tesink

Plaques of Distinction for even greater participation went to -

Darren Dick Scott Lewis

Varsity Basketball

Bruce MacLeod and Leslie Graham, both former Greyhound ball players, now at University, undertook to coach the team. They played well and were always good sports, but were a young not so tall team, and they did not get to the Provincial play-offs .

Most valuable player trophy -

Scott Milner

Varsity Football

Mr. Francis Hughes, assisted by Mr. David McPherson and Mr. Barry Ogden, coached the Greyhound squad and was pleased with their competitive attitude which gave another four wins, three losses season.

Ogden Family Trophy (offence)	Seam McDonald
Ogden Family Trophy (defence)	Chris Valardo and Andrew Hughes

Varsity Soccer

Mr. Robert Perry coached the team. The league results of three wins, two ties and nine losses were not good enough to put the Greyhounds into the play-offs.

M.V.P. Trophy Mark Osborne

Rugby

For the sixth straight year the Greyhounds took the Provincial title under the coaching of Mr. David McPherson. After one upset from St. Malachy's, the team showed their Championship skills by recording two easy victories in

the Provincial play-offs.

Kevin Nice Memorial Trophy (M.V.P.) — Wayne MacFarlane

Rookie Trophy — Mark Stone

Boys Volleyball

The AAA team had an outstanding season, winning almost every tournament, and entering the Provincial play-offs ranked as number one. To Mr. Malcolm Smith's great disappointment they fell apart at the crucial time in Newcastle.

M.V.P. Trophy — Anthony Lui

Mr. DeLong coached the "AA" team, and also the Midget Volleyball team, who had to travel to find competition. At the Atlantic Championship in Truro in March, the Grade X team placed third after winning the Provincial tournament in Buctouche.

Boys Hockey

Stan McMillan had a young team who played in an exciting and fast style. They were unable to overcome St. Malachy's heavier and older team in the semi finals, but ended the season as they had begun, with heads high and most of them returning next year.

Marcus Trophy (M.V.P.) — Sean McDonald

Boys Baseball

Mr. William Finley and Mr. Tom Keaveney put together a competitive team for the second year of this sport.

Most Valuable Player Trophy — Brian Lyon

MIXED SPORTS

Badminton

Another year of long hard hours of practice brought Coach Brian Stafford yet another Provincial title.

Most Valuable Player Trophy — Kim Mawhinney

Track and Field

The Spring weather did not help training this year, nor did the reconstruction work on Shamrock Park. However by using the gymnasium, Coach Francis Hughes was able to put together another Southern Conference Championship team. At Oromocto, in the Provincial Championship, we had to settle for second place overall.

Trophies - Lee Latham and David Nowlan

Swimming

Mrs. Betsy Worrell coached the team and again hosted the Provincial tournament. We placed second in the Provincial tournament and won first place in the Southern Conference. Next year we will miss our top swimming team - Tarek Raafat and Kathy English.

Cross-Country

For the fourth consecutive year the Intermediate Boys Provincial trophy was retained by SJHS. John McAdam, captain, and Tarek Raafat, both graduating students were instrumental in this accomplishment. Lucien Morand and Steven Rosvall ran well in the Senior division while Melinda Thorne was a strong finisher in Senior Girls.

Golf

Under the supervision of Mr. David Williams, the team of three girls and seven boys participated in the Southern Conference tournament at Riverside, and the Provincial Championship in Chatham.

GIRLS SPORTS 1983-84

Outstanding Female Athlete - Cheryl Fraser

Student Council Silver A's for extra curricular participation were awarded to -

Maura Boyle	Kim Huang	Kim Mawhinney
Andrea Burton	Diane Leslie	Kim Peer
Wendy Carpenter	Gena Marshall	Melinda Thorne
Cynthia Danells	Beth Maxwell	Shelley Vaughan
Jane Ferguson	Patti Matsuo	Krista White
Caroline Garey	Allie Mackie	Ticket Patstone

Student Council Gold A's for even greater participation went to -

Ellen Melvin Cheryl Fraser
Joanne Keating

Girls Field Hockey

The team had another competitive season, winning five games, losing three and tieing two. Miss Julia McIntyre was the coach. The team finished third in the Southern Conference

Patricia Murray Dickie Trophy - Mariann Patstone

Girls Varsity Basketball

Coached by Mr. Francis Hughes, assisted by Daryl Porter, the Girls had a fifty-fifty season and just made it to the Provincial Tournament, where they finished sixth.

Most Valuable Player Trophy -Shelley Vaughan

Because a large number of girls wanted to play basketball, four J.V. teams were organized to play a schedule between themselves, under the supervision of Mr. Finley, assisted by coaches Michael Boudreau, Jon Gould, Stephen Shannon, Sean Mabey, and William Currie.

Girls Soccer

Mr. William Finley again coached the AAA team to another Southern Conference title. Undefeated all year, they also won the Moncton Invitational tournament. They recorded twelve consecutive shut-outs.

M.V.P. Trophy Joanne Keating

Mr. Barry Ogden looked after the J.V. Soccer team. They were overshadowed by their AAA colleagues, who knocked them out in the Semi finals of the Southern Conference. They were runners up in the Moncton Invitational.

M.V.P. Trophy Heather Pringle

Girls Hockey

Perhaps the greatest success story of the year, the Girls Greyhound team swept all before them on the ice, with fifteen wins, two ties (both with the UNBSJ team) and no losses. Scoring one hundred goals during the season, they captured both the Southern Conference title and the UNBSJ Challenge Cup. Mr. Tom Keaveney, who pioneered the sport in the school, felt justifiably proud of their record, which was achieved without roughness and in an excellent spirit of sportswomanship.

Most Valuable Player Trophy ~ Anne Marie Burke

Girls Volleyball

AAA. This team used a combination of experience and youth to play a competitive game all season long. Every tournament saw us meet our cross town rivals St. Vincents in the finals, which we split evenly - winning 3 and losing 3. The key win was at the Provincial in Bathurst, where we won the Provincial title in an exciting 20-18 win over St. Vincent's in the deciding game.

Most Valuable Player Trophy - Melody Mladineo

Graduating from the team are Ellen Melvin, Cheryl Fraser, Diane Leslie and Joanne Keating.

AA. Coached by Mr. DeLong this program lands depth to our AAA team. Through their coach's patience and guidance the Grade X's progressed from inexperienced youth to a competitive team that acted as a spoiler in their league.

THE GRADUATION CLASS EXECUTIVE 1984

PRESIDENT	Sterling Mawhinney
VICE PRESIDENT	Harald Tesink
SECRETARY	Allie Mackie
TREASURER	Cynthia Danells

The Executive has successfully organized a cake auction, a stereo raffle, a school dance, a car wash, a car rally, a bottle drive, and with the parents' help a bake sale. The proceeds of these activities have helped to pay for these Graduation Ceremonies, the Fundy National Park outing on June 18, and the Convention Centre dinner dance to be held on July 4.

They deserve our thanks for the enthusiasm and efficiency of their ventures.

OTHER APPRECIATION AND THANKS

to - the Superintendent and the School Board for their support and cooperation during the year.

to - Mr. William Kearns and the Parent Teacher Association for their kindnesses, not least in providing for the Graduation Reception in the Gymnasium.

to - Mrs. Betsy Worrell for invitations, seating arrangements, and for the preparation of the auditorium.

to - Mrs. Jackie Rooney and Miss Tina Reicker for their efficiency in the School Office over the many details of graduation.

to - Mr. David Haley, Head Custodian, and the cleaning staff for making the building spick and span for Graduation.
