SAINT JOHN HIGH SCHOOL FACULTY 2005-2006

As we celebrate the graduation of the Class of 2006 it is imperative to remember the substantial commitment of teachers, especially the faculty of SJHS, throughout the education of these students. Our faculty is innovative, dedicated to excellence and committed to educating the whole student. As with any group of professionals, changes occur. Because of retirement and leaves the following changes will occur next year.

Retirement: Each year as our graduates celebrate their "coming of age" through graduation one or more of our faculty undergoes a similar metamorphosis by concluding his/her teaching career and anticipating the next phase in life. This year **Mr. Paul Hodgins** will retire after 32 years at Saint John High School. Admired and respected by staff and students, Mr. Hodgins' ability to educate and inspire his students made him a perennial favorite. His stories of snipers, his grandmother, penalties for sneezing and Wurthers' Originals, which have become part of the folklore of the school, will also be missed. **Mr. Doug Gould**, (S.J.H.S. grad of 1967) retires after 34 years of teaching, 13 of them at Saint John High School. An exceptional teacher of history and social studies, Mr. Gould's prowess in the classroom earned him numerous accolades. **Mr. David MacGowan**, (S.J.H.S. grad of 1968) fostered the pursuit of excellence in Math at M.N.H.S. and S.J.H.S. The consummate professional, Mr. MacGowan was prepared to challenge and question academic decisions at all levels if he felt the integrity of the classroom was being threatened. **Mrs. Karen Fillmore**, after teaching at M.N.H.S. and S.H.S., completes her career at Saint John High School. Noted for her classroom management, structured delivery and professionalism, Mrs. Fillmore's retirement is a loss to the school**. Mr. Ivan Court**, after beginning his career at Lorne and spending many years at Saint Malachy's, came "down the hill" to assess and enjoy his time at "High School." Teaching a variety of courses, Mr. Court provided his class with compassion and excellent instruction, especially if municipal issues were part of the topic.

Staff Changes. We are delighted at the return of Mr. Paul Holder from deferred salary leave, Mr. Charles Sullivan from a sabbatical and Ms. Sherry Nolan from a leave of absence. Mrs. Autumn Lynch and Mrs. Julie White will be returning after maternity leaves. Mrs. Barb Holt and Mr. Jeff Warr will be transferring from Simond's High to join our staff. With regret we note that Ms. Mary Power will be going back to Harbour View High School. Mr. Bill Finley and Ms. Kelly Munroe will be on deferred salary for a semester, Ms Hutchinson will be on maternity leave for the year and Mr. David Grandy will be on paternity leave for most of the academic year.

THE INTERNATIONAL BACCALAUREATE PROGRAM

Saint John High School, with 25 of its teachers instructing International Baccalaureate courses, is graduating its 20th class of Diploma Candidates. Twenty-one students opted for this rigorous academic program and hope to receive their diplomas in July. This will bring to 241 the number of Saint John High School students who hold this prestigious international credential. In addition, 74 students wrote IB certificate exams this year. These students have actively participated in all facets of school and community life, comprising the majority of the positions on the student council and yearbook executives and holding key positions in drama productions and on sports teams.

Over 1600 students have been involved in taking IB courses since Saint John High became part of the IB world in 1986, and our results remain at or above the world average in most subjects. Enrollment in the program continues to enable our students to compete for entrance to universities across Canada.

The Diploma Candidates' university choices and programs of study for Sptember 2006:

Jason Akerman	McGill	Science
