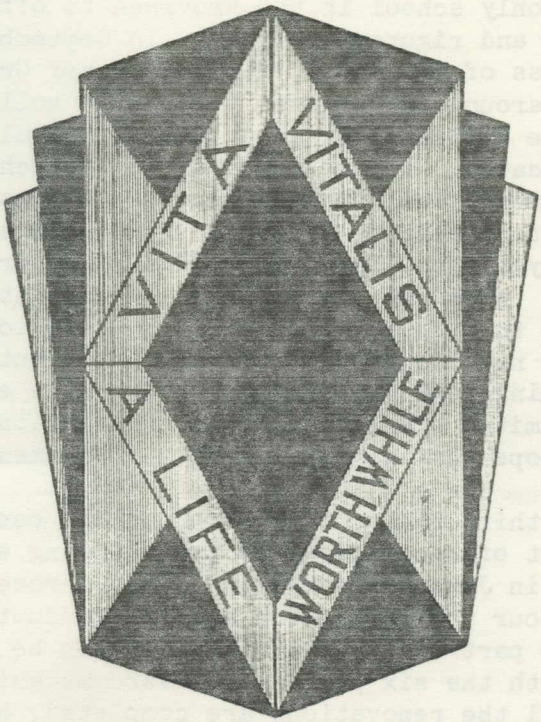
SAINT JOHN HIGH SCHOOL



1985-86

IN PERSPECTIVE 1985 - 86

The year after the major Saint John Celebrations should be anti-climactic, but for us at Saint John High School 1985-86 has been a year of excitement.

Academically we have completed our first full International Baccalaureate year. In May some thirty Grade XI students write their first I.B. exams in Subsiding Level History, Chemistry, Physics and Biology. We await the results some time during the summer. The I.B. Program is now securely established at Saint John High - the only school in the Province to offer these challenging and rigorous courses. In September when another class of Pre - I.B. students enter Grade X, we shall have around one hundred students enrolled either in the complete Diploma program or in individual subjects for certificates. We are grateful to the School Board for making additional funds available, and to the faculty for the extra challenge that they have undertaken.

The year has also been exciting in terms of student enrollment. With one thousand and seventy students we have passed the previous record for the school. Furthermore we are now the largest school in the entire district. For the coming year the predicted figure is eleven hundred, but with limited space and massive renovations under way, it is our hope that we can restrain enrollment to around 1080.

The third factor in excitement has been the commencement of renovations to the building early in April, and in June an escalation of the process. As we meet in our auditorium for another graduation this is the only part of the building that can be used, together with the six portable classrooms which will remain until the renovations are completed, hopefully by September 1987. All of the final exams were written in the Field House at the University while over one hundred construction workers tore out the 1932 heating and plumbing systems, demolished the breezeway and tore up the gym floor. By September of this year the New Wing will be renovated and the new Library and Cafeteria will be ready for use. We are grateful to the School Board for applying the thrust, and to the Provincial

Government for supplying the seven million dollars plus that will give us a fine modern building in which to continue our search for excellence in education.

Finally, in this year of excitement, there has been the continued achievement of students both in the classroom, and outside which makes this "The Year of the Greyhound". With further excellence in drama, in debating, in science fair, and in academic competitions, this has also been an outstanding year in athletics. The climax came late. After successful football, hockey, basketball and volleyball seasons, in one week in late May we won three Provincial titles - in Rugby, girls softball and Track and Field. To put the icing on the cake, we swept to victory in the Participation Day bus pull up King Street.

All of these school activities have to be put into a wider context. This has been a year of major international events. The US Airstrike against Libya provoked some Canadian questioning by those who did not see the need to curtail terrorist attacks. The space shuttle disaster brought us back to the reality that all exploration involved risk to human lives. The Russian nuclear disaster gave us cause for further caution about the highly technical world in which we live. And our own Saint John emergency, earlier in April, when a gas leak closed down the centre of the city for forty eight hours, reminded us of the need for team work when things go wrong.

It has been team work, and it will be continued cooperation and understanding, that will see us through the continuing depression. The lack of employment for young people remains our number one concern. Its effects can be seen not only in the return to school of students who have already graduated, but a decision by a number of Grade XII students deliberately to fail so that they put off for another year the embarrassment of not being employed. It shows also in the indifferent attendance and punctuality of the below average student who sees no hope for the future. Saint John High School preaches the message that in tough times everyone works harder to ensure personal success. But the advice appears to fall on deaf ears.

Let us be of good cheer as we honour the graduates of 1986. The overwhelming majority of them have the tradional values of "VITA VITALIS" and will lead worthwhile lives in the service of their fellow man and woman.

The school expresses its thanks to them for their willing and capable service both in the classroom and in all activities relating to the life of Saint John High.

We shall be welcoming back in September Mr. Robert Perry from deferred salary leave, and Mrs. Betsy Worrell from Educational leave. Because of increased enrollment, we shall have the services of fifty four teachers next year.

SCHOOL ENROLLMENT 1985 - 86

GRADE	BOYS	GIRLS	TOTAL SEPT.'85	ADDITIONS	LEAVE	TOTAL JUNE '86
XII	177	147	321	1	12	313
XI	169	166	335	7	12	330
X	221	190	411	6	30	387
TOTAL	567	503	1070	14	54	1030

Enrollment was much higher this year because of the substantial increase in the number of students coming from Junior High. More than 30% chose to come to Saint John High in the summer of 1985. Our usual percentage is around 20, and again this summer some 25% have chosen to come to us. Rather more of the Grade X than usual transferred during the year, but we still have a very large number moving up to Grade XI in September.

Because we are at capacity now - we just do not have anymore classrooms to accommodate more students, and have to use the Cafeteria this past year for studyhall- the School Board has stepped in to monitor requests to enroll in September 1986. The extensive renovations to the school, which will continue throughout the next year, will add to our logistics problem in locating students. It is a pleasant problem to endure when other downtown schools in cities across the nation are facing declining enrollment. We are delighted that so many young people make Saint John High their first choice.

PLACEMENT OF THE 1985 GRADUATION CLASS

There were 309 students in Grade XII last year. 263 were graduated in June and 8 more received their diplomas in August after successfully completing Summer School. Of the remaining 38, eighteen had graduated previously, fourteen returned to Saint John High to take Grade XII again, and six went into the work force.

Of the 271 graduates, ten returned to Saint John High to improve their marks and take fresh courses, forty-six went into the work force, three went to Ontario for Grade XIII courses, two joined the Canadian Armed forces, and one went travelling in Europe. 209 went on to further education -

SCHOLARSHIPS AND BURSARIES 1986

A number of valuable university entrance scholarships have already been offered to the leading students in this Graduation Class. These will be announced by the universities at a later date this summer. Because of our school policy of trying to spread a limited amount of money among a large number of our deserving graduates, most of the front row of graduates - those in the High Honour bracket - will not be receiving awards tonight - they are the ones who already have been offered between $1500.00 and 2500.00 in their first year of university.

At tonight's graduation the following awards will be presented (in most cases, the recipients will be as surprised and delighted as their parents, since no prior notification has been given) : -

One	Dr. John C. Theriault Memorial Scholarship	$250.00
One	Loch Lomond Home and School Bursary	200.00
Two	Jervis Bay Legion Scholarships	200.00 each
One	Kathleen McArthur Memorial Prize for English	300.00

Varsity Basketball

The 1985-86 season was a successful and rewarding one for everyone involved. The squad consisted of 3 rookies (including Rookie of the Year...David Vicente), 4 returning grade 11 students, and 6 seniors (including M.V.P....Otis Delaney).

The team consistantly went head to head with the top teams in the province winning over 50% of their games.

The Greyhounds season finale was a return trip to the National "Vic Redmen" Tournament in Edmonton, Alta. The tournament was very competitive and a valuable learning experience for everyone.

Best of luck and congratulations are extended to Rob Webber, Brent Cummings, Ted Steen, and Otis Delaney all of whom are graduating this year.

Varsity Football

This years football greyhounds had a very competitive season, winning 3 games, losing 3 games and tying one. They missed the Provincial Playoffs because of the tie breaker rule. Next years team looks competitive again with 22 players returning.

MVP - Offensive Player, Mike Hollingsworth
MVP - Defensive Player, Chris Valardo

Rugby

The 1985-86 version of the rugby team saw a completely different outlook with many new faces. The team however extended its domination of the Provinial Championship for its 7th consecutive year. A feat accomplished by no other high school rugby team in the history of the sport. Much of the credit goes to the leadership shown by its senior players who will be graduating. A special thanks is extended to the coaching staff: Rob Scott, Jon Gould, Darren Lamb, Andy Wallace.

Kevin Nice Memorial (M.V.P.) - Owen Paisley
Rookie of the Year - Malcolm Lightfoot.

Varsity Soccer

The soccer team, coached by Mr. Kenneth Dalton, enjoyed a fine season, missing a berth in the Provincial Championships by 1 point. This years MVP award was shared by two senior players -

Malcolm Lightfoot & captain Ian Murray.

Boys Volleyball

Like the girls program we have two teams. The AA team is made up of mostly grade tens as a feeder team for the AAA program. They were coached by a former grad Mr. Tom Booth with Mr. Paul Holder as the teacher supervisor.

The AAA team maintained its string of Southern Conference championships although it has been tougher to repeat in recent years. This is the 13th in a row for coach Smith and could well be more than 20+ as former coach Mr. Brownell never lost during his tenure at SJHS. The team finished third in the provincial tournament and will lose the following through graduation, Bill Evans, Steven Dykeman, Brian Jones, Gary Belyea, Ted Steen, Mike Wilson and Otis Delaney.

Note: Bill Evans is on the Provincial Boys Winter Games Volleyball team.

Boys Hockey

The SJHS Greyhounds had one of their best seasons in recent years. Captain Scott Murray led his team to domination of the Southern Conference with a 38-10-3 record. A strong showing at the Chatham Green & Gold Tournament lent considerable credibility to the hockey programme of our zone. Assistant captins Rob Edgecombe & Greg MacKay spirited the club to outstanding performances including winning the first annual Saint John invitational tournament. The Greyhounds not only won the league and play-off trophies but also took every award in contention- top scorer Tracey Scott, MVP - Rob Edgecombe and superior goal-tending Mike Fox/Duncan Webster. Our thanks to the remaining graduating students who gave of their time and talent - Jeff Donald, Jeff Evans, David Harris (3yrs), Shaun Maguire and John MacQuarrie (2yrs).

Boys Baseball

The baseball team had an overall record of 7 runs and 5 losses. After finishing 3rd during the regular season, the team upset 2nd place St. Stephen in straight games; and then took conference champion St. Malachy's to a 3rd game in the best of 3 Southern Conference final before being defeated 5-2.
MVP - Mark Ogden - batting average .410

MIXED SPORTS

Badminton

The SJHS Badminton team won the Southern Conference for the 11th consecutive year. Placed 3rd in Province after winning 10 previous NB titles. NB Junior Champion, Alok Ummat & SJHS MVP , Jeni Stafford won individual NBIAA Senior titles.

Track & Field

The Track & Field team won the Southern Conference with the highest total points accumulated in the Conference's history. This team won all four age class trophies and won the Grand Aggregate Trophy.
The team also won the NBIAA Provincial Championships winning all age class trophies.

Swimming

Under the guidance of Messrs. Robert Taylor and Andrew MacKenzie, the Swim team provided keen competition at the Southern Conference and Provincial levels. Grade Ten swimmer Ruth McLeese set a new provincial record in the 50m Backstroke event. Charles Sullivan, provincial leader in the 50m Backstroke, was named Most Valuable Member of the team. The staff at the Canada Games Aquatic Centre provided both facilities to host the Provincial meet and excellent training for several of our swimmers who are members of the Saint John Swim Club.

Curling

Certainly a successful and fun season, the girls, through their dedication and determination to win, finished their exhibition schedule with 6 wins and 1 loss and then proceeded to go through regular league play and zone play-offs undefeated. As Southern Conference winners advancing to the provincials, competition proved to be somewhat tougher but the girls did finish a very respectable 4th overall.

Golf

The 1985-86 Golf season at SJHS involved three competitions: The Saint John High, Southern Conference, and Provincial Tournaments held at the Rockwood Park, St. Andrew's, and Hampton Golf Clubs. Jackie Brownell won the Southern Conference Girls' Championship.

Interscholastic Mock Court Competition

A dedicated team of Grade Twelve students won the William Jack Trophy in the first annual Interscholastic Mock Trial Competition. SJHS triumphed over several others with outstanding performances before the Court of the Queens Bench by lawyers Emma Southwood, Steve Shannon, Chris Valardo, Barb Chase, Steve Dykeman, and supurbly performing witnesses Liane Crich, Brenda McDonald and Suzanne Breen. Mary Helen McLeese & Jeni Stafford worked behind the scenes to assist in SJHS's successful debut.

Girls Field Hockey

Though perhaps not the most successful season experienced, the girls, led by the aggressiveness of this years MVP, Maura Boyle, finished third in league play with 3 wins, - losses and 1 tie.

Girls' Varsity Softball

The girls' softball team had a very successful season this year winning the Provincial AAA High School title. The team was coached by two faculty members; Tom Heaveney and John Turner. Consistent hitting, led by Co-MVP winners Kelly Haslam and Shelley Thompson was a major factor in the title. The other graduating team members besides Kelly and Shelley are Sheri Robson, Dawn Carpenter and Gina Dickinson.

Good Luck to all the graduates in the future and remember to work hard and strive for success.

The Girls volleyball program at SJHS includes the Varsity team and a Junior Varsity. Approximately 25 girls compete in AA and AAA Leagues. For the first time since it started the AA team placed 2nd in the Southern Conference thus earning the right to go to the AA provincials. Mrs. Teed coached this team which is basically a feeder team for the AAA or Varsity team.

The AAA team maintained its strong standing in Provincial play. It won the Provincial title for the 2nd time in 3 years. This was a very disciplined team. We are proud of their dedication and hard work. Graduating om this championship team are Sheri Robson, Christine orne, Heather Wood, Dawn Carpenter, Patti O'Keefe and Gina Dickinson. Two members on this team, Robson and Dickinson currently play on the Provincial '87 Winter Games Volleyball team.

Girls Ice Hockey

Captured their 4th straight Conference High School Championship. Narrowly missed winning the Saint John City & District Women's title. Losing to the older, more experienced UNBSJ squad in 5 games.

Graduating this year is league scoring champion and team MVP Shelley Thompson - Nancy Wong, Janice Lawton & Krista Burchill. Coach Keaveney wishes these players continued success in both their athletic and scholastic endeavours.

Girls Soccer

The girls Varsity Soccer team captured the Southern Conference title for the 4th consecutive season, with a 2-1 victory over St. Malachy's. This also marks the 4th consecutive season the team has gone undefeated in conference play, a string of over 35 games. The Junior Varsity team also captured Consolation honours with a 4-3 victory over Simonds.

MVP Varsity - Tammy Fennell
MVP Jr. Varsity - Becky Setchell

Girls Varsity Basketball

The Girls Varsity Basketball team were very competitive with a 17-10 won/loss season.

They were rated seventh at the Provincial Tournament and finished fourth.

MVP - Heather Pringle

THE GRADUATION CLASS EXECUTIVE 1986

PRESIDENT	DALE KNOX
VICE-PRESIDENT	KRISTA BURCHILL
SECRETARY	JENNIFER CRAFT
TREASURER	SAURIN POPAT

The Executive has capably handled affairs of the Graduation Class by arranging fund raising events, and by providing social activities such as a car rally, and an all day outing to Fundy National Park.

The Executive is paying the bill for much of this evening's activity, including the printing of this program. The final social activity will be the dinner dance at the Delta Hotel on Sunday evening, June 29 from 6:30 p.m. to 12:30 a.m.

They deserve our thanks for their dedication and efficiency.

OTHER APPRECIATION AND THANKS

to the Superintendent and the School Board for their support and cooperation during the year, and especially for working hard to get the major renovations to the building, and for being enthusiastic about the International Baccaulaureate Program.

to the Parent Teacher Association for their assistance, especially in providing the Graduation Reception at Barrack Green Armouries.

to Mrs. Julia Teed for invitations, seating arrangements, and for the preparation of the auditorium under difficult circumstances.

to Mrs. Jackie Rooney and Miss Tina Reicker for their efficiency in the School Office over the many details of graduation.

to Mr. David Haley and Mrs. Jean McCormick - the last remaining members of our custodial staff - for doing their best to reduce the dirt and dust of renovations.
