Saint John High School had fifty-three teachers during the year. In June 1988 we lose Julia Teed who goes on leave of absence to start her family. Sheila Blagrave has accepted a position in District 19 and Charles McCarthy is moving to warmer climates. To all three teachers we express our thanks for dedicated and capable service, and wish them well in the future.

For the record it should be noted that fifty-three teachers

have been given a very heavy work load all year with eleven hundred students to instruct. They are to be commended for handling a student teacher ratio of 21 to 1, and for graduating a record number of Grade XII students.

GRADUATION CLASS EXECUTIVE 1988

President	Stephanie Gould
Vice-President	Shelley Harris
Secretary	Holly Hanson
Treasurer	Cindy Ring
Faculty Advisor	Miss Gander

The Executive has capably handled the affairs of the Graduation Class by organizing a number of fundraising activities and by providing social outings to Camp Glenburn and Fundy National Park.

The Class is footing the bill for most of this evening's expenses, such as the flowers and the printing of the program.

The final social activity of the year will be the dance at the Trade and Convention Centre on Friday evening July 1, 1988 from 9:00 am to 1:00 am.

Thank you to the Graduation Executive for their dedication and efficiency.

OTHER APPRECIATION AND THANKS

to the School Board and the Superintendent - for their continued advice and support in handling the affairs of the City's largest school (in terms of student population), and for their generosity in continuing to help fund the International Baccalaureate Program.

to the Parent Teacher Association - for their assistance at our Open Houses, and especially for the Graduation Reception in the Gymnasium.

to Mrs. Betsy Worrell - for invitations, seating arrangements and for the preparation of the auditorium.

to Mrs. Jackie Rooney and Mrs. Pamela Cunningham - for their courtesy and efficiency in the School office over the many details of graduation.

to the Custodial Staff - for the cleanliness of the building.

THE INTERNATIONAL BACCALAUREATE PROGRAM

Saint John High School is graduating its second class of International Baccalaureate diploma candidates. These ten students are talented academics, musicians, athletes and citizens. They have mastered the toughest academic courses offered in the province and participated widely in school life. Over two hundred students are involved in some aspect of the IB program over the three grades. Many students are aiming to complete requirements in several subjects but not all. Ninety-one candidates wrote over 165 exams in early May and we look forward to the successful results in July.

The ten diploma graduates and their choice of university for the fall are:

Angela Bate	Kings College - Foundation year
Michael Bradley	UNBSJ - Pyschology, Computer Science
Christopher Brittain	UNBF - Arts - History
Robert Hayhoe	University of Toronto - Arts - Economics
Jessica Jamieson	University of Virginia - Arts - Journalism
Michael Justason	McMaster University - Engineering
Edward Langlais	McGill - Arts - Social Sciences
Christine McFarlane	McGill - Science - Pre-Medicine
Matthew Moffitt	McGill - Science - Physics
