SAINT JOHN HIGH SCHOOL FACULTY 2008-2009

The 2008-09 school year has been marked with many significant changes to our faculty, and to the various extracurricular tasks which they undertake. Like our student graduates, the SJHS Faculty always undergoes a period of change and renewal at the end of each academic year.

Retirement: Mr. Donald Britten, thirty-two year education veteran, has served for the last two years as our Co-op Work Placement Coordinator. His influence on many of our graduates has been substantial.

Staff Changes: We are delighted to report that Mr. John Turner will be returning from a secondment in Elementary and Middle School Physical Education. At the same time, we regret the loss of our Head of Mathematics, Mr. Paul Holder, to St. Malachy's, and we congratulate Mrs. Julia Teed on her appointment as his replacement. Mrs. Angie Cameron will be on maternity leave for 2009-10, while Ms. Angela Stewart returns after a year's parental leave. Mrs. Tracy Parker will also begin a year's parental leave in September. In addition, Mr. Nathan McFarlane will rejoin the staff in the fall. Ms. Frances Butler will be on sabbatical, pursuing a certificate in ESL teaching.

THE INTERNATIONAL BACCALAUREATE PROGRAM

Saint John High School, with 25 of its teachers instructing International Baccalaureate courses, is graduating its 23rd class of Diploma Candidates. Twenty-one students opted for this rigorous academic program and hope to receive their diplomas in July. This will bring to 296 the number of Saint John High School students who hold this prestigious international credential. In addition, 75 students wrote IB certificate exams this year. These students have actively participated in all facets of school and community life, comprising the majority of the positions on the student council and yearbook executives and holding key positions in drama productions and on sports teams.

Over 2100 students have been involved in taking IB courses since Saint John High became part of the IB world in 1986, and our results remain at or above the world average in most subjects. Enrolment in the program continues to enable our students to compete for entrance to universities across Canada.

The Diploma Candidates' university choices and programs of study for September 2009:
