# SAINT JOHN HIGH SCHOOL FACULTY 2003-2004

Before you sit the SJHS graduates of 2004. Behind each graduate stands the substantial commitment of the Saint John High School faculty. These teachers are innovative, dedicated to excellence and committed to educating the whole student. As with any group, of professionals, changes occur. Because of promotion and retirement, the following changes have occurred or will occur.

**Promotion:** Ms. Susan Tipper, after a twenty-six year career as teacher, Vice-Principal and Principal of Saint John High School, assumed control of the district as Superintendent.

**Retirement:** This June, one of our former graduates, and a distinguished teacher of biology and science, has decided to retire. Students have benefited for many years from this energetic, compassionate and talented instructor. "Biology Bob's" contribution to the school extended well beyond the classroom. Soccer, skiing and the sets for dramatic productions were just a few of the areas that profited from his knowledge and commitment to the school. Although it is with tremendous regret that we say good-bye, we wish him good health, a long enjoyable retirement and a continuation of "Vita Vitalis"

**Staff Changes.** It is with considerable regret we say farewell to two teachers, Mr. Charles Sutton and Mrs. Marilyn Cann. Both of theses teachers have made significant contributions to the school through their instruction and involvement in school activities. We also wish Ms. Carol Ann Haggarty and Mrs. Michelle Hogan good luck as they enjoy sabbaticals to continue their formal education. Mr. John Turner will also be away for one semester on a deferred salary. We welcome Mr. Kenneth Oulton back from his year away and are pleased to announce that Mr. Doug Kelly, Mr. Peter Larsen and Mr. Evan Hachey will be joining our staff next year.

## THE INTERNATIONAL BACCALAUREATE PROGRAM

Saint John High School, with 30 of its teachers instructing International Baccalaureate courses, is graduating its 18th class of Diploma Candidates. Twenty-six students opted for this rigorous academic program and hope to receive their diplomas in July. This will bring to 195 the number of Saint John High School students who hold this prestigious international credential. In addition, 98 students wrote IB certificate exams this year. These students have actively participated in all facets of school and community life, comprising the majority of the positions on the student council and yearbook executives and holding key positions in drama productions and on sports teams.

Aside from the students currently involved in the IB program, over 1600 students have been involved in taking IB certificates since the program began, and our results remain at or above the world average in most subjects. Enrollment in the program continues to enable our students to compete for entrance to universities outside the Atlantic Provinces.

Previous Diploma and Certificate holders have now graduated from their undergraduate university programs or from post-graduate studies and have begun to enter the work force. For example, the ten Diploma holders of 1988 consist of three PhD's, two medical doctors, a Master's in Health Administration, a teacher, a Master's of Law, a double Master's in Patent Law and Biochemistry in the field of genetics, and a Master's of Civil Engineering. Many of the IB graduates have received significant awards, ranging from top named scholarships to O'Brien fellowships to three Rhodes scholarships.

**EXPRESSIONS OF APPRECIATION:**

– to the PSSC, for its support and encouragement.
– to the Parent-Teacher Association, for its work on behalf of the school throughout the year.
– to the Alumni Association, for raising funds to help buy capital equipment for the school.
– to the School Secretaries, Mrs Finley, Mrs Burgess, and Mrs Humphries, for their dedication.
– to the Custodial Staff, for their hard work in keeping the school clean throughout the year.
– to the parents and companies who made tonight's reception in the gymnasium possible.
