Graduation Ceremonies

SAINT JOHN HIGH SCHOOL

TUESDAY, JUNE TWENTY-EIGHTH

Thousand & Five

SAINT JOHN HIGH SCHOOL FACULTY 2004-2005

As we celebrate the graduation of the SJHS Class of 2005 it is imperative to remember the substantial commitment of teachers throughout these students' schooling. The teachers of Saint John High School are innovative, dedicated to excellence and committed to educating the whole student. As with any group of professionals, changes occur. Because of retirement, leaves of absence and maternity leaves, the following changes will take place.

Retirement: This June Mr Ken Oulton, Department Head of English, will retire after thirty-two years of teaching. He has provided all his students, regardless of the class, with insights into literature, understanding of the nuances of language, and appreciation of the need to write articulate prose. Besides being a "Master Teacher of English", Mr Oulton displayed a wealth of other talents in his Theatre Arts Class, during set construction for our stage productions and on the soccer fields. Students and staff will miss his instructional prowess, leadership, and most importantly, his unique sense of humour.

Staff Changes: We are delighted to announce the return of Ms Blok who will become the SPR of English, Ms Haggarty who has been on a sabbatical and Mr Turner who has been on deferred salary for a semester. We are especially proud to announce the transfer to Saint John High School of Ms Mary Power and Ms Julliete Ramzi-Trofimencoff from HVHS and Mr Stephen Vienneau from Simonds High. It is with reluctance we announce the leaves of absence of Ms Myatt and Ms Nolan. Maternity leaves have been granted to Ms White and Ms Brownell. Mr Sullivan will be on sabbatical next year and, second semester, Mr Holder will be on deferred salary.

THE INTERNATIONAL BACCALAUREATE PROGRAM

Saint John High School, with thirty of its teachers instructing International Baccalaureate courses, is graduating its 19th class of Diploma Candidates. Twenty-seven students, our largest class to date, opted for this rigorous academic program and hope to receive their diplomas in July. This will bring to 221 the number of Saint John High School students who hold this prestigious international credential. In addition, 66 students wrote IB certificate exams in May. These students have actively participated in all facets of school and community life, occupying the majority of the positions on the student council and yearbook executives and holding key positions in drama productions and on sports teams.

Over 1600 students have been involved in taking IB courses since Saint John High became part of the IB world in 1986, and our results remain at or above the world average in most subjects. Enrollment in the program continues to enable our students to compete for entrance to universities across Canada.
