SAINT JOHN HIGH SCHOOL FACULTY 2006-2007

As we celebrate the graduation of the Class of 2007, it is imperative to remember the substantial commitment of teachers, especially the faculty of SJHS, throughout the education of these students. Our faculty is innovative, dedicated to excellence and committed to educating the whole student. As with any group of professionals, changes occur. Because of retirement and leaves the following changes will occur next year.

Retirement: Each year as our graduates celebrate their "coming of age" through graduation one or more of our faculty undergoes a similar metamorphosis by concluding his/her teaching career and anticipating the next phase in life. This year **Mr. David Williams** (S.J.H.S. grad of 1971) will retire after 28 years at Saint John High School. Admired and respected by staff and students for his quiet efficiency, production of outstanding newspapers and commitment to teaching, Mr. Williams has also played an invaluable role as "Master of Certificates". Also retiring, **Mr. Greg Barker,** a teacher shared with Simonds High School, has been instrumental in helping a number of students achieve graduation.

Staff Changes. We are delighted with the return of Ms Monic Hutchinson and Ms Sherry Nolan from maternity leaves. Teachers acquired through transfers include: Peter Dalton, Simonds High School; Bonita Hutchison, Hazen White/Saint Francis; Angie Tonge, District 08 Tutor Center. We regret the loss of Mr. Todd Cormier for a year while he is on sabbatical. Ms. Debbie Eden and Mr. Stephen Vienneau will be taking Leaves of Absence, and Ms. Christine Ahearn will be out on maternity leave for the year.

THE INTERNATIONAL BACCALAUREATE PROGRAM

Saint John High School, with 33 of its teachers instructing International Baccalaureate courses, is graduating its 21st class of Diploma Candidates. Sixteen students opted for this rigorous academic program and hope to receive their diplomas in July. This will bring to 256 the number of Saint John High School students who hold this prestigious international credential. In addition, 84 students wrote IB certificate exams this year. These students have actively participated in all facets of school and community life, comprising the majority of the positions on the student council and yearbook executives and holding key positions in drama productions and on sports teams.

Over 1600 students have been involved in taking IB courses since Saint John High became part of the IB world in 1986, and our results remain at or above the world average in most subjects. Enrollment in the program continues to enable our students to compete for entrance to universities across Canada.
