SAINT JOHN HIGH SCHOOL FACULTY 2007-2008

As we celebrate the graduation of the Class of 2008, it is imperative to remember the substantial commitment of teachers, especially the faculty of SJHS, throughout the education of these students. Our faculty is innovative, dedicated to excellence and committed to educating the whole student. As with any group of professionals, changes occur. Because of retirement and leaves, the following changes will occur next year.

Retirement: Each year as our graduates celebrate their "coming of age" through graduation one or more of our faculty undergoes a similar metamorphosis by concluding his or her teaching career and anticipating the next phase in life. This year **Mr. Donald LeBlanc** will retire after 29 years of teaching, primarily at Saint John High School. The school is grateful to the "Saint" who morphed into a Greyhound and contributed to the academic and extra-curricular life of the school. **Mr. Allan Rouse** joined our staff in 2002 as Vice-Principal. His talent for salesmanship, already legendary, quickly became instrumental to increased sales, especially during the pancake breakfast. His humour and effectiveness with discipline issues ensured speedy justice for delinquent students. Admired and respected by staff and students for her quiet efficiency and leadership as a Vice-Principal, Head of the International Baccalaureate Programme and fiscal guardianship, **Ms. Ann Perry** personifies dedication and commitment. Her yearly production of outstanding yearbooks, with the assistance of a talented staff, is eagerly sought not only by the graduating class but also by hundreds of other Greyhounds. **Mr. Barry Harbinson**, whose youthful appearance belies his 33 years of teaching, has served as principal of SJHS for the past five years. His leadership has been remarkable for its perfect blend of the traditions that make our school great and the innovation which will preserve our distinguished place among New Brunswick's secondary schools. Mr. Harbinson will always be remembered for his dedication to making new ideas work and his clear-sighted view of the future.

Staff Changes: We are delighted with the return of Mr. Todd Cormier from his sabbatical. Mr. Lindsay Ferguson is a district transfer from Saint Malachy's. Because of maternity leaves we regret the loss of Ms. Angela Stewart for a year and Ms. Autumn Lynch for a semester. Mr. John Turner has been seconded to an elementary physical education position for the year. Regrettably, Ms. Juliette Ramzi -Trofimencoff will not be with us next year as she is being seconded to District Office. Most importantly, we are delighted to announce the appointment of Ms. Marijke Blok as Principal of Saint John High.

THE INTERNATIONAL BACCALAUREATE PROGRAM

Saint John High School, with 23 of its teachers instructing International Baccalaureate courses, is graduating its 22nd class of Diploma Candidates. Nineteen students opted for this rigorous academic program and hope to receive their diplomas in July. This will bring to 275 the number of Saint John High School students who hold this prestigious international credential. In addition, 87 students wrote IB certificate exams this year. These students have actively participated in all facets of school and community life, comprising the majority of the positions on the student council and yearbook executives and holding key positions in drama productions and on sports teams.

Over 2006 students have been involved in taking IB courses since Saint John High became part of the IB world in 1986, and our results remain at or above the world average in most subjects. Enrollment in the program continues to enable our students to compete for entrance to universities across Canada.
