SAINT JOHN HIGH SCHOOL FACULTY 2009-2010

Each school year brings arrivals and departures, signalling change and, we hope, growth.

This year we have been fortunate to have five term-contract teachers, who have served SJHS well, both academically and extracurricularly, lending their unique talents to the culture of our school. It is with regret that we say "Good-bye for now" to these teachers: Eileen Gatien, Paula Gault, Kristina Maguire, Nathan McFarlane, and Brianne White. We hope that in the near future you will be able to rejoin our staff in a permanent capacity.

In addition we have been fortunate to have had five long-term supply teachers: Stephanie Haslam (English), Lori Lawton (English), Chelssie Reynolds (English), Jeremy Robinson (English), and Stephanie Staples (Mathematics). We look forward to your presence at SJHS in the coming years. In our Resource Department we were fortunate to have Julie Kaniak, and Roz Richard, who will be assigned to St. Malachy's in the Fall.

Two long-time veterans will leave us in the fall, to pursue different career paths. Andrew Colwell, Head of Technology, has been seconded by District Office to assist with the pursuit of the 21C learning agenda. Carol-Ann Haggarty, a mainstay in our Resource Department, will lend her expertise to a new role at Simonds High. Their absence will leave a large hole in both or hearts and in our teaching schedules!

Elizabeth Donnelly-Nelson will leave us, after 31 years in teaching, 16 years of them at SJHS. Her future plans include more running, more travel, and returning to painting, painting, painting!

Finally, an update on our returning staff: Frances Butler has completed her Master's of Education and will return in the fall to continue in the English and Co-op Ed departments. Angie Cameron will return to the English Department from maternity leave, and Tracy Parker will rejoin our Mathematics Department from her adoption leave. Sherry Nolan, Claudia Rocca, and Angela Stewart will be back at SJHS in the second semester, after their maternity leaves.

We wish all staff members a blessedly peaceful summer!

These students have actively participated in all facets of school and community life; comprising the majority of the positions on the student council and yearbook executives, and holding key positions in drama productions and on sports teams.

Over 2100 students have taken IB courses since SJHS became part of the IB world in 1986, and our results remain at or above the world average in most subjects. Enrolment in the program continues to enable our students to compete for entrance to universities across Canada.
