There will also be a photographer stationed across the street to take photos. If you have additional family who want to watch, there is some standing space across from the school. **A few important notes: 1) If you have additional people coming to watch, please be in communication with them so that they know when you are going through- it is recommended they arrive earlier than your scheduled time as the flow of traffic can alter timings. 2) If you reach Ms. Roberts/Cunningham and you do not see important family- TELL US! We can pause you and wait to send you up until everyone is in place- it is important to us that your loved ones are in place before you proceed.**
