QUESTIONS TO THINK ABOUT

- **Am I challenging myself?**
- **Am I in the proper level?**
- **Am I working at my True Ability?**
- **Should I push myself more?**
- **Do I have the study skills?**
- **What kind of learner am I?**
- **Do my teachers think I am working at my true ability?**
- **Should I consider IB?**

QUESTIONS TO THINK ABOUT

- What do I want to do after High School?
- What career paths am I looking at?
- What do I need to study?
- Do I have the necessary prerequisites to get into my chosen field of study?
- Am I limiting my options by not taking a course?

CREDITS VS COURSES

Credits: Courses that begin with an 11 or 12 count as a **CREDITS** (i.e. Bio 112)

Courses: Courses that have a 9 or 10 do not count as credits (i.e. English 10), with the exception of the math class NRF 10 or FI NRF 10, which now give you 1 credit (=18 total to graduate)

Credits for graduation begin to accumulate in Gr. 10 (usually only 2)

8 Compulsory Courses

- 3 Eng (11 A & 11 B [2 credits] and Eng. 12 [1 credit])
 - 2 Math 11/FI (NRF 10, Foundations/Fin & Workplace)*
 - 1 Mod Hist 111/112/113 or FI Mod Hist.
 - 1 Science
 - 1 Fine Arts/Life Role Development
-
- +10 OPTIONS (ONLY 2 MAY BE LOCAL OPTION)

18 TOTAL CREDITS TO GRADUATE
