This weekend I am taking four IB students (2 grade 10 and 2 grade 11) to Ecole Mathieu Martin in Dieppe for the Atlantic Coast Conference - Celebrating IB. We will participate in workshops relevant to the IB Diploma programme and will meet with university representatives to learn about their various programs of study.

SJHS sent three student delegates (of seven) to the CSDF National Seminar in Debate in the Annapolis Valley of Nova Scotia. At this event students learned about immigration through excursions from tours of Pier 21, Annapolis Royal and the Acadien Centre at Grand Pre to lecturers from Acadia University and the province of Nova Scotia. Among the NB debaters Nicholas Jefferey from SJHS had the highest average and won the prize for the province.

MARYANNE LEWELL

My History 11 kids took a field trip to Good Fibrations, which is a shop owned by fiber artist Liz Miller (SJHS class of 78).

Key Club had a Miracle Minute at the October 26 assembly, and collected \$80.90 for the Empty Stocking Fund. On Halloween, 5 Key Club members participated in the P.U.L.S.E. Safe Halloween event. They helped set up, serve food/drinks, hand out treats, and clean up. At the club meeting on Halloween, members carved jack o' lanterns for this event. The club is also donating \$50 to the Saint John Community Food Basket.

Next week, Key Club will hold its annual Coat Drive, so donations of coats, hats, mittens, etc. would be greatly appreciated. Items do not have to be new, but should be clean, and in good condition. Donations can be dropped off in the conference room between 8:15 and 8:50 a.m., Monday through Friday next week, or at the office during school hours.

KATIE FERRAR

The Film Club met twice; we watched Star Wars and The Nightmare Before Christmas.

TRISH GALLAGHER

You could mention the lovely collaboration between SJHS String Ens and SJHS CHoir in effort to give a beautiful tribute at our Remembrance Day Assembly.
