

PSSC – TEACHERS REPORT

Tuesday, September 20, 2016

KELLY RITCEY

Key Club has begun sales of the Kiwanis Cash calendars. If anyone would like to purchase one, they can contact me. They are \$20, and there are draws for different amounts of money every day. If you win, your name is re-entered for all remaining draws. Additionally, a lot of good coupons are included with the calendar. Proceeds help our school Key Club with our valuable community service and leadership, as well as support the larger Kiwanis organization in its work.

Also, Key Club is doing a school supply drive until next Monday, so if anyone would like to donate any items, they can send them in to the school with their student or drop them off. These supplies will be divided between the 2 south end K - 8 schools.

JOE BOYD

Chess Club has started, meeting every Thursday at lunch.

TRACY LUTZ

Club HOPE is having its fall neighbourhood clean-up this Saturday the 24th from 9:00 AM to about 10:30 or 11:00 AM.

We are considering doing *Les Mis* for this year's spring musical (March 30, 31, April 1), but first we are holding auditions next Wednesday the 28th after school for leads only, just to be sure we have the voices.

There's a Facebook group called IB Celebration 2017 for all past and present participants of the IB programme (full, partial, students, teachers, etc.). Details about the events planned for next summer's celebration can be found there. All are welcome.

SHERRY NOLAN

Debate Club has started, and SJHS will be hosting the first tournament of the new season on Saturday, October 1st.

We need lots of judges, so if you, your family, or friends is available to help, please contact Sherry Nolan at sherry.nolan@nbed.nb.ca.

BENITA TURNBULL

My three English classes have done a one-week reading, writing, viewing, and listening assignment on Sculpture Saint John. The highlight of the assignment was visiting the site, seeing the sculptures being worked on, and talking to some of the sculptors.
